Notice of Confirmation Orders of Civil Rehabilitation Plans becoming Final and Binding

The proposed civil rehabilitation plans (the “Plans”) of Takata Corporation (“Takata”) and those of its wholly owned subsidiaries, Takata Kyushu Corporation and Takata Service Corporation, were all approved by their creditors and the Tokyo District Court entered the confirmation orders confirming the Plans. Further, on June 15, 2018, the orders became final and binding.

We owe the confirmation orders of the Plans becoming final and binding to the understanding and support of all interested parties. We express our sincere gratitude again on this notice.

In accordance with the Plans, payments of the confirmed rehabilitation claims to creditors will be made within three months from June 15, 2018, the date on which the confirmation orders of the Plans became final and binding. Each creditor will be separately notified of details on matters such as the amount of payments.

We sincerely thank you for your continued support and understanding.

Takata Corporation
Representative Director, Yoichiro Nomura
